

I would like to respond to the FCC tampering with Indiana's "Do Not Call" rule.

1. I resent anyone calling me at home that I don't know or want to talk to.

2. The FCC should not implement any proposal that would lessen Indiana's Telephone Privacy law protections.

3. I have really enjoyed being on the "Do Not Call List" - not being bothered by nusiance calls while at home. I do not appreciate unknown calls!!!!

4. Prior to being put on the "Do Not Call" list I would come home to 12-16 unknown callers on my caller id. I would also get additional unknown callers after arriving home. This was ridiculous!!!

5. I DO NOT WANT THE FCC TAMPERING WITH INDIANA'S "DO NOT CALL" LIST!!!
